## **JOINT STATUS REPORT**

COME NOW the parties to this action, by and through their respective counsel of record and in compliance with the Order entered by the Court on April 27, 2023 (Doc. No. 80), submit the following Joint Status Report:

The parties have exchanged and answered written discovery. The parties engaged in correspondence and on June 9, 2023 held a meet and confer to discuss deficiencies in Defendant CSX's discovery answers. Plaintiffs anticipate filing a motion to compel within the next seven (7) days. Defendant is compiling correspondence to Plaintiff's counsel regarding deficiencies in the responses to discovery by individual Plaintiffs and will attempt to informally work through those deficiencies prior to assessing the need for a motion to compel. Additionally, counsel have agreed to begin taking depositions in approximately September 2023. There have been no additional settlement discussions since private, in-person mediation was held on April 11, 2023.
